

THE BEDBUG SOLUTION™

ELITE ZIPPERED MATTRESS AND BOXSPRING COVER

- Stretch polyester knit fabric with urethane barrier allows air to pass through for a cool and comfortable sleep and protects against bedbugs and dust allergens
- Self-locking zipper and internal flap for additional protection
- Waterproof and flame retardant
- Protect your investment, easier and more economical to cover than to replace
- Laboratory Tested and Certified Bedbug Proof – independently tested.

ZIP N' STICK™

Unique, Patent Pending tape closure fits securely over zipper end to form complete seal preventing bedbugs from getting in or out.
