

THE BEDBUG SOLUTION™

ZIPPERED STRETCH KNIT BOXSPRING COVER

- Stretch polyester knit fabric allows air to pass through for a cool and comfortable sleep and protects against bedbugs
- Self-locking zipper and internal flap for additional protection
- Flame retardant
- Protect your investment, easier and more economical to cover than to replace
- Laboratory Tested and Certified Bedbug Proof – Independently tested.

ZIP N' STICK™

Unique, Patent Pending tape closure fits securely over zipper end to form complete seal preventing bedbugs from getting in or out.
